

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand offers solutions, services and products so as to increase the productivity and ensure efficiency in industrial, commercial and residential environments. They pride themselves in delivering products so as to enhance the health, safety, comfort and security of people all around the world throughout their four global segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building advanced controls, services and parts support for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand offers products and solutions in order to improve energy efficiency, productivity and operations for their customers. The range of products in their line comprise: tools and pumps, and material fluid handling systems to complete compressed air systems. They have likewise developed Club Car, the global leader in utility and golf vehicles intended for businesses and individuals.

Popular brand names like for example Schlage and Trane compromise the Residential Solutions business, providing safety, efficiency and comfort to home owners all across North America. Several of their innovative quality products include electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies provide products that ensure productive, secure and safe surroundings. This division's market leading products comprise floor and door closers, exit devices, portable security devices, electronic and biometric cabinet hardware, access control systems, steel locks, doors and frames, locksets and decorative hardware. Schlage also has products that offer attendance, personal and time scheduling systems.
