

Nissan Forklift Parts

Nissan Forklift Part - Nissan takes immense pride in achieving overall consumer satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and meticulous quality standards to their customers. Incorporating a rich heritage combined with resilient processing principals, Nissan lift trucks offer a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide lift truck demands. Dedicated to offering consumer support, the company has four distinct manufacturing facilities that permit them to persistently adapt to their customers continually evolving wishes by providing a range of modern ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fashioning, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental responsibility by using techniques and processes that limit their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their customers require while being an environmentally responsive organization.

Nissan is confident that they will be able to address any consumer inquiries or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally endorsed dealers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
